

**Main Specifications**

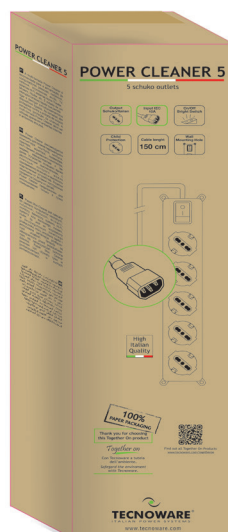

- For Electrical and electronic equipment, personal computer, notebook, printer, monitor, TV, Hi-Fi implant, Home Theater implant, Modem, Router, etc.
- Child protection
- Conductor section power cable 3x1,0 mm<sup>2</sup>
- Power supply cable length 1,5 m
- Five outputs inclined 45° type Schuko/Italian 10/16A
- Switching on/off by light switch
- High level of security

**Specifications**

Model	Power Cleaner 5
Code	FMP5IECIG
Input plug	IEC type 10 A
Output sockets	5 outputs inclined 45° type Schuko/Italian 10/16A
Dimensions Power Cleaner (WxHxD)	27,6x5,3x5,2 cm
Dimensions with packing (WxHxD)	30,9x10x5,8 cm
Power cable length	1,5 m
Conductor section power cable	3x1,0 mm <sup>2</sup>
Nominal voltage	250 Vac
Nominal current	10A Max
Switch	Light, green color
Safety protections	Child Protection
Certifications	OE, Rohs Compliant
Color	Black
